

DCCC – Danish Comprehensive Cancer Center and DMCG.dk

Danish Cancer Research Days

Call for abstracts

Participants are encouraged to submit abstracts on research projects, clinical trials, or other cancer related activities for poster presentation at the Danish Cancer Research Days.

All areas of cancer research are welcome.

Abstracts and posters can be submitted in either Danish or English.

Posters will be on display during the entire conference. There will be a dedicated time for poster viewing in the program, including poster discussion in thematic groups on Thursday, Aug 30 from 17:15-19:00.

A prize of DKK 5,000,- will be awarded to each of the two best posters during the poster award ceremony on Friday, Aug 31 from 13:00-13:30. The award winners will be expected to present their posters at the ceremony.

Abstract guidelines

Title: Use a maximum of 250 characters.

Authors: List all authors with last name followed by initials. Use a maximum of 250 characters.

Affiliation: Department, Institution, City, Country. Use a maximum of 250 characters.
